

Do you own your own business, or know a business looking for sponsorship opportunities?

There are so many ways to get involved at BASIS Mesa - one low-effort, big-impact way is for your business or employer to support our school is to become a Sponsor! There are two options to choose from.

First option is our gym banner/website/email combo.

- BASIS Mesa will hang your 2'x8' business banner in the school gym for \$1,500. You provide the banner.
- It is important to reach out as soon as possible as we only take 3 businesses per industry.
- There is also the option to buy out your industry for \$3,000.
- The sponsored business banner will be hung in the school gym all school year long.
- Not only do the amazing families at BASIS Mesa see your banner, but the gym is rented out to various sports organizations through-out the valley as well other non-school related events with hundreds of people attending.
- Your business will be added to the footer of every page on our [website](#) **AND** every email we send with a direct link to your desired page or contact info.
